Brochure SSL Secure Edge 0816 1

When circumstances leave you temporarily uninsured, the Secure Edge short-term medical insurance plan helps protect you during coverage gaps.

Secure Edge offers short-term medical coverage with an affordable premium, achieved through carefully selected benefit limitations. Coverage is available in most states for 30 to 364 days.

Short-term medical insurance is not a substitute for a major medical plan that meets the minimum essential coverage levels as defined by the Patient Protection and Affordable Care Act, also known as ACA. It can, however, offer financial protection in the event of an unexpected injury or illness while you are waiting for coverage to begin under an ACA-qualified plan.

Missed open enrollment

If you have missed the opportunity to secure coverage during the open enrollment period, you may be ineligible to buy a major medical policy until the next open enrollment period, unless you have a qualifying event.

Newly hired

Often, an employer-sponsored plan includes a waiting period before health insurance benefits begin.

Waiting for an ACA plan

Many plans on the Health Insurance Exchange offer only one effective date, the first of the month. Depending on when you submit your application, you may have to wait up to 45 days for your coverage to begin.

Filling the gap

Coverage can begin as early as the day following your online application, if approved, and last up to 364 days.

The maximum coverage period varies by state.

Plan selections

All benefits listed apply per covered person, per coverage period. Refer to the descriptions below the chart for additional benefit details.

Office visit copay

The \$50 copay applies to each doctor office visit charge. After the copay, the balance of the doctor office visit charge is covered at 100 percent. Additional covered expenses incurred during the office visit, including expenses for laboratory and diagnostic tests will be subject to the plan deductible and coinsurance. Office visits above the allotted number (based on the coverage duration) are subject to deductible and coinsurance and limited to a maximum benefit of \$1,000 per covered person.

Deductible

When three covered persons in a family each satisfy their deductible, the deductibles for any remaining covered family members are deemed satisfied for the remainder of the coverage period.

Coinsurance percentage and out-of-pocket

Once the deductible and coinsurance out-of-pocket amounts have been paid, additional covered charges within the coverage period are paid at 100 percent, up to the maximum benefit amount. Benefit-specific maximums may apply. The coinsurance out-of-pocket does not include any precertification penalty amounts or expenses not covered by the plan.

Eligibility

Secure Edge is available to the primary applicant up to age 64, his or her spouse age 18 to 64 and dependent children under the age of 26. A child-only plan is available for children age 2 up to age 18.

Payments to suit your situation

Secure Edge offers two options for premium payment: monthly or single. Payments may be made using credit card or automatic bank withdrawal. If your need for coverage ends earlier than expected, simply send written notification. Monthly payment is available for up to 364 days. If you know exactly how many days you need coverage, you can pay the entire premium up front at a discounted rate. Single payments can be made for a minimum of 30 days to a maximum of 180 days.

Network discounts

With a Secure Edge plan, you have access to discounted medical services through two national preferred provider organizations (PPOs). These network providers have agreed to negotiated prices for their services and supplies. While you have the flexibility to choose any health care provider, the discounts available through network providers for covered services will help to lower your out-of-pocket costs.

MultiPlan—www.multiplan.com

One of the nation's largest networks, MultiPlan has more than 650,000 providers in 50 states, including physicians, and inpatient and outpatient facilities.

ACS—www.anci-care.com

A comprehensive network of 38,000 ancillary service providers, ACS represents providers of outpatient services, including lab and diagnostic testing, but it does not include physicians.

To search for a network provider or facility, please visit the websites listed above. At the time of service, simply present your identification card, which will include the network information needed for the provider to correctly process covered billed charges.

MultiPlan and ACS are not affiliated with Standard Security Life Insurance Company of New York, nor are they part of this insurance plan.

Covered expenses

All benefits, except office visits applied to the copay, are subject to the selected plan deductible and coinsurance. Pre-existing condition limitation

Secure Edge will not provide benefits for any loss caused by or resulting from a pre-existing condition. A pre-existing condition is any medical condition or sickness for which medical advice, care, diagnosis, treatment, consultation or medication was recommended or received from a doctor within five years immediately preceding the covered person's effective date of coverage; or symptoms within the five years immediately prior to the coverage that would cause a reasonable person to seek diagnosis, care or treatment.

Usual and reasonable charge

The usual and reasonable charge for medical services or supplies is the lesser of:
a) the amount usually charged by the provider for the service or supply given; or b) the average charged for the service or supply in the locality in which it is received.

With respect to the treatment of medical services, usual and reasonable means treatment that is reasonable in relationship to the service or supply given and the severity of the condition. In reaching a determination as to what amount should be considered as usual and reasonable, we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

Right to return period

If you are not completely satisfied with this coverage and have not filed a claim, you may return the Policy within 10 days and receive a premium refund.

Precertification

Precertification is required prior to each inpatient confinement for injury or illness, including chemotherapy or radiation treatment at least seven days prior to receiving treatment. Emergency admissions must be precertified within 48 hours following the admission, or as soon as reasonably possible. Failure to complete precertification will result in a benefit reduction of 50 percent which would have otherwise been paid. Precertification is not a guarantee of benefits.

Continuing coverage

If your need for temporary health insurance continues, most states allow you to apply for another short-term medical plan. Your application is subject to eligibility, underwriting requirements and state availability of the coverage. The next coverage period is not a continuation of the previous period; it is a new plan with a new deductible, coinsurance and pre-existing condition limitation.

Coverage termination

Coverage ends on the earliest of the date: the premium is not paid when due; you enter full-time active duty in the armed forces; or Standard Security Life Insurance Company of New York determines intentional fraud or material misrepresentation has been made in filing a claim for benefits. A dependent's coverage ends on the earliest of the date: your coverage terminates; the dependent becomes eligible for Medicare; or the dependent ceases to be eligible.
